GOD's Blurbs

About me:

My new years resolution was to find a bit of humility. Then I realized WHAT THE FUCK. I'm God and God dont have to take shit from no one. So fuck that. I like to say fuck alot.

Who I'd like to meet:

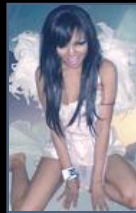

I'm not on here to meet anyone. I'm only here to keep in touch with people I know. However if you feel the overwhelming desire to know God - you'd better have something good to say. I don't have time for bullshit.
