RECENT ACTIVITY

Jeremy London please call [REDACTED]. Im so scared to press charges. They kept saying they knew where my son lived and they's strait for him first. Right now, Im telling them to just charge him with the thefts. I really don't know what to do, bro. Help me Help me

Jeremy London I really need you to call me I got robbed at gunpoint and kidnapped and terrorized with guns to my head all day! They were little gangsta thugs who took all the money that was in an envelope that was going to be able to get the damn truck out today!! They kept me all day, always threatening to kill me and that they k...
