Date: Tuesday, October 27, 2009, 10:31 PM Let's talk about this, we've read it (mike and I) and we agree that shocking yes, but not totally surprising as I had expected something similar. Mike has asked that more details be provided regarding the shooting, i.e. location, contents of the program itself, Hailey's role in the show since he is currently dating her things of that nature. In addition in terms of the financials, we would need to know that he is guaranteed that fee discussed regardless of if the show is picked up for a series. That fee would have to be guaranteed before filming the special, I think that makes sense right? Thanks so much, give me a call on my cell to discuss tonight/tomorrow!
