Dear Spencer,

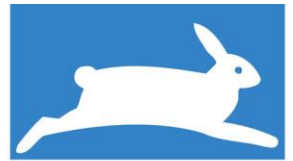

Instead of rapping about KFC's wings, why not speak up for the chickens who are scalded to death for the colonel? As you can see in the video hosted by Pamela Anderson at [www.KentuckyFriedCruelty.com](http://www.KentuckyFriedCruelty.com), chickens who are killed for KFC live their entire lives mired in their own waste and filth, only to be shackled upside down by their fragile legs and have their throats cut while they are still conscious.

After watching the video, please consider recording a PETA campaign tune for our Kentucky Fried Cruelty campaign. Thank you for your consideration.

Sincerely,

Dan Mathews  
Senior Vice President
