**On behalf of Brooks Ayers
Case #CV2007-000487-JEM**

I am a personal friend of (David) Brooks Ayers and am acting on his behalf at this time. He was arrested last night on a child support arrearage order, that was unknown to him and currently is in the Lee County Jail.

Due to the fact I live in California, I am unable to deliver this request personally, and after speaking with Beth Bunnett at the Chancellory Court department, she suggested I fax this to you instead.

This letter is requesting a hearing before a judge as soon as possible. In addition, we are also requesting transport from the Lee County Jail in Tupelo, MS to the courtroom for his case to be heard.

Please call me if you have any questions whatsoever. [REDACTED]

Regards,

Vicki Gunvalson
